HEADMASTER BRIGHTON HIGH SCHOOL

Dr. Tutwiler

Dear Class of 2015,

In this space, I wish to express a much-deserved congratulations and heartfelt thank you. I congratulate you because we only allow students to don the celebratory black robe and mortarboard who have met our criteria. Sure, you have completed the requisite coursework and, no doubt, you have all done well. That is important. You have also met the "hidden" criteria. You demonstrated responsibility, you have successfully navigated what can be a very complex and often challenging social scene. You persevered. Mastery on these concepts is not easily achieved. You have done it – for that, I congratulate you. I "thank you" because you model some very important characteristics for the broader school community. I have come to know the culture of the Class of 2015 to be one that operates very much like a family. The strong connection among and between you is clear - even to the most casual observer. There is a solid current of support and togetherness and the way you motivate each other, pushing each other to maximize potential, is really inspiring. What I am saying is that YOU model for the rest of the community what we hope to see among all students. And WE owe you a great debt of gratitude for that.Class of 2015, carry forth the skills and knowledge you have gained. Collectively they create a strong foundation for success, no matter what whatever you choose to do. Draw from the incredibly positive experiences you have enjoyed as Brighton Bengals. Collectively, let them serve as the standard for future endeavors.I look forward to hearing about the wonderful things you will do down the road.

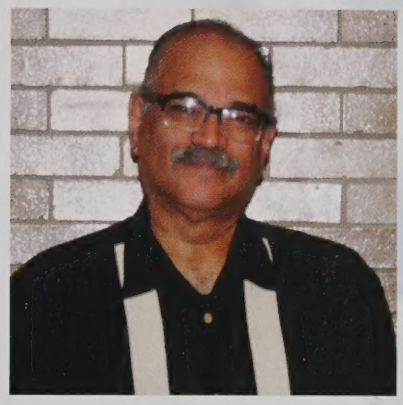
Best of luck!

Sincerely,

Dr. Tutwiler, Headmaster

ASSISTANT HEADMASTERS BRIGHTON HIGH

Mrs. Judges



Mr. Preito

Dear Members of the Graduating Class of 2015,

It has been a privilege to work with so many members of the Class of 2015. I have witnessed considerable growth and enjoyed watching you mature into young adults. Over the past four years you have accomplished many goals both personally and academically. I applaud your achievements and encourage you to continue your education and professional growth. You have worked hard throughout high school and will need to continue being committed to accomplish your individual goals. I hope you find satisfaction and motivation in your achievements and continue to work to your full potential. I hope that you are leaving Brighton High School with fond memories and will remember to keep in touch with your peers and the faculty. Congratulations to each of you! It has been a pleasure to work with you.

Always,

Mrs. Judges

As I bring these words to the graduation class of 2015, I look back at a career that spans 35 years, 15 years as a teacher and 20 years as an administrator. Now I feel that i am graduating with every one of you and I want to leave these words for each and every one of you: Live life with no regrets. Make sure that everything you do has meaning and that you are not living only for yourself. Remember that you represent the best that your family were able to give to you and is your time and responsibility to show the world what you are capable of doing. Everything you do affects the people you love the most. Make them proud, work hard, earn your keep. Don't owe nothing to nobody (except maybe your students loans). Be happy!!!
